Subject: Comments on RTCs
Attachments: Draft Regulator RTCs_Parcel G Work Plan_092818_dj review.docx

Hi Kim,

Attached are my final changes. These don't include Matt's. Let's have a meeting with him Monday morning to talk through his comments. I don't think they will constitute changes.

Can you start the tech editing process?

I'm taking the morning off but will be back at noon.

V/r,
Danielle Janda

Responses to Comments
Draft Parcel G Removal Site Evaluation Work Plan
Former Hunters Point Naval Shipyard, San Francisco, California

The purpose of this document is to address comments on the Draft Parcel G Removal Site Evaluation Work Plan, dated June 2018, for Former Hunters Point Naval Shipyard, San Francisco, California. The United States Environmental Protection Agency (USEPA), Department of Toxic Substances Control (DTSC), California Department of Public Health (CDPH), and San Francisco Department of Public Health (SFPDH) comments received August 14, 2018 are listed below and responses to comments are provided in bold. The work plan will be updated to address these comments and a draft final version submitted for review.
